AMERICAN ENTER.

National Theatre.

The such at the National to witness Maggie Mitchell in her domestic characters continues unshated, and she seems to have actong a hold upon the popular favor as at her first appearance. Last night "Fav, or the Payer's Child," was repeated, and not with the same learny reception as greeted with the same hearty reception as greeted the first representation.

A BEANDER CAME

the first representation.

A STANDER CAME.

In the Cheroit Court yesterday the case of W. Williams et al. vs. T. Waggaman, shauler damages laid at 600,000, was tried, the defendant being charged with speaking of Mrs. Williams as Keeping a house for improper purposes—having too many girls about her—for which damages are cisimed at \$40,000.

The plaintiff, in opening, stated that Mrs. Williams rented the house from defendant, and the gold to pay the rent she was hold that she must variate the house, and was exactly the being a had woman, and the control of the house had woman, and that what he told Wrs. Williams was in a friendly manner, the towner of the home having desired him to get the tenant out.

Mrs. Williams testified to the conversation alleged, and also to a second conversation of the same import, (to which dishedant excepted.) with the shellisten that Waggaman told, her that she must move to another house, and he would rent her one where he would not expose her. When he said that she had for daughters, and could not send them away from her.

Mrs. Emmis Deakens, daughter of Mrs. Williams, there had the daughters, and could not send them away from her.

Mrs. Emmis Deakens, daughter of Mrs. Williams, there had the outer that he house, and held that she had for a way from her.

Mrs. Emmis Deakens, daughter of Mrs. Williams, there had the conversation of least the house, and routed it to Mrs. Williams for way the head of the testinenty.

The defendant, Thotmas Waggaman, toolined has a swap from her.

Mrs. Emmis Deakens, daughter of Mrs. Williams, who had don't not conversation alleged his have and told Mrs. Williams to sea the would be the testified that he defendant stated that after the suit had been brought he went to see Mrs. Williams, who told him that he had made a missake in the woman, mistaking her for another Mrs. Williams, who told him that he had made a missake in the woman, mistaking her for another Mrs. Williams was re-resided, and testified that he defendant establed that after the suit had be with the terms of the terms of

THE CONFIDENCE GAME.

Arrest of One of a Gang.

Last night Officers Murphy and McHenry, of the Seventh procinct, arrested a man manned Charles Mutroe, oil Indiana nevenne, on suspiciou of being one of a gang who have been playing the combinence game and robbing airsugers recently.

The officers have been watching this individuals for some time, and last night be was observed at the Orange and Alexandria railroad depot setting in rather a familiar manner with a passenger, the two going off together. When the arrest was made exversing the continuous of the continuous of the continuous depot and the view of Morroe and the gentianian up the Avenue, took to their heeds, and the enjoyation is they were his accomplices. He was lodged in posice headquarter, and will take morring be brought before Judge Beatl, for his action.

If he was shinwed to excape the responsibility would rost with the jury.

cage the responsibility would rust with the jury.

CHANGE OF THE CHIEF JUSYICE.

Judge Carter, to opening the charge to the jury, quoted the staute under which the indictment is found, and defined its usaning. Under that attails the United States has arraigned W. B. Stokes upon three counts. First, for adding and assising, for compensation, to act so agreed or attorney for the prosecution of claims against the United States. Under the count the jury smeat fought, under the evidence, whether Stokes did so aid, for compensation to be received after the service was rendered. The first bases of fact is here, the prosecution insisting that Stokes aid was rendered for hire, and the defence contouring it was voluntary and granthous aid to his constituents. If he worked for pay be is guilty; if not for pay be is not guilty.

CIVIL RIGHTS.

Meeting in the neventh District.
A meeting of the Republican voters of the Seventh district was hold at Bethel hall last night; Win. A. Freedom in the chair, and C. B. Fieher secretary.
On motion, Meesra Geo. A. Sampson, Win. Sprinx and C. Clark were appointed a committee on resolution.

Synhax and C. Clark were appointed a com-nition on resolutions.

Missera. Beverly Tucker, G. W. Biswart and C. B. Fisher were elected as delegates to the committee to make arrangements for the ensuringstate celebration. The committee resurred and reported a series of resolutions, hearthy indexing the section of Semantor Sunsiner in origing the passage of the supplies of colored men as subodied in the set. After the transaction of semanting the rights of colored men as subodied in the set. After the transaction of semantinoparamit business, the meeting adjourned

examination are closely at their station, with a view to meet their serveral committees on Tosseday, the 27th instant, the day preceding the opening of conference.

Local pranchers who are candidates for descore orders will meet the committee in Franklin street (M. E.) church, on Thursday, the 20th day of February, second day of conference. The half of February second day of conference in the conference and the lay delegates elected to the electoral conference for layone are informed that arrangements are made with the Baltimore and Osio and Western Maryland railroad companies to convey them from the seat of conference to their respective homes free on the certification of the secretaries, they having p this fail from the seat of the serveriaries, they having p this fail from from the seat of the conference to their respective homes free on the certification of the secretaries, they having p this fail from from their homes to the sent of the conference to the free several season of the secretaries, they having p this fail from from their homes to the sent of the conference of last present the Edsaw Alwary Silver, D. O., having the "tilinerances" at the Edsaw Church Sobabas Schoolmon, on Frielay, the Lates of the conference, in the "tilinerances" at the conference, of the conference of last present the first the fir

pears that during Wednesday the women, without any provinceding merced the girls and color are the fitter that the color and fragus bearing her indicates a summer with a policy, indicate a summer women. They were locked no for a braction, which we would be the color of the weather than the color of the color of the weather than the color of the color of the weather than the color of the color of the weather than the color of the color of the weather than the color of the color of the weather than the color of the color of the color of the weather than the color of winter.
It is very fashionable to make costumes suit the style and youth of the wearer, thus harmoulding matter with art. Ladies of 40 and 50 look very youthful in consequence.
A Peruvian aurgoon has carsed almost a fabutons sau by shaving off the little toe of the ladies, thus making for them a very small toot. Ladies look upon the extra little for an absurd superfluity of nature.

The water registrar has been directed to place a hydraut on D street southerst, be-tween New Jersey avenue and South Capted At 5 o'clock this morning, Geo. C. Vameck, aged El, late a captain in the British army. At 5 o'clock this morning, Geo. C. Vameck, aged El, late a captain in the British army, aged El, late a captain in the British army, and the second the passes mentioned, ware found singly on the tollet table in his room. Vaneck was last seen allyes at 11:15 last night, at which time he sent Walter Montgomery, the hallman, to get him some opium. The narroutic was obtained and handed to Vaneck, who at once closed and beeked the door of his new one of the hallmen knocked at the door of the hallmen knocked at the door of the room for the parpose of calling the occupant up for the parpose of calling the occupant up for the parpose of calling the occupant up for the second the second of the second Three car-loads of terra-cotta pipe were re-ceived yesterday, from the works of Mou-head & Co., of Pulladelphia, by the Boast of Public Works. I Washington Literary Society of the On mext Monday evening the meinbers of the Washington Literary Society give their third grand calloo hop as Marini's hall. The party is given for the benefit of the library of the Boardshing society, and will doubtless be well altered as A meeting of the Young Catholics' Friend.
Society will be held at Carroll hall Saturday
night to take seitable action on the occasion
of the death of the banseted Most Revered
M. J. Spaiding, Archbishop of Baltimore.

PRINCELT PAIDE.—The following is vouched for by the regular uriny soldier, who was detailed to act sethe Grand Luke Alexke overly during the grand huffalo faunt at Red Willow creek:

The first buffalo must by the party was an aged veteran, and by unsulmous consent, the rest energies with the old fallow was given to the buke. He rode confidently forward, and disclarged a few shoets it be old buil without fatal effect, whereappon the animal turned and made fight.

stal effect, wascampoo to analy of the analy and jumped and light. Aleath three ways his gun, and jumped rom his bores. As the buildaid approached in, he drow his short eword and plunged it into the animal's side, killing in his unstantly, just before he made the fails stroke he arrivalence.
